- Steel target: specification will be defined before the competition;
- Shooting position: lying position;
- Shooting distance: 900m, 1000m, 1100m, 2x1400m;
- Time limit: 20sec./1pcs. Shooting on signal
- Ammunition quantity: 25pcs

EVENT II.: Common for all categories:

- Targets will be specified or canceled before the competition;
- Shooting position: lying position;
- Shooting distance: 500m to 550m;
- Time limit: 5sec./1 shot based on signal;
- Ammunition quantity: 6pcs.

EVALUATION/QUALIFICATION:

- Evaluation criteria will be in line with UIT and ISSF regulations.

SHOOTING RANGE EQUIPMENT:

- 12 shooting stands on sandy ground without shooting mats.

PRICES:

- First three ranked in each category will be rewarded by diploma and medal.

REGISTRATION FEE:

- The registration fee for the training and competition is **140,-Eur.**
- Competitor, who will back-down from the competition, or who will be disqualified from the competition is not entitled to receive back the registration fee.
- Registration fee doesn't include any insurance. We highly recommend to insure individually.
- Each competitor participates in the competition at his/her own risk and is responsible for eventual damages caused by themselves.

SHOOTING ORGANISATIONAL INSTRUCTIONS:

- Preparation and a course of shooting will be governed by commands of “shooting referee”.
- In the case of any disobeying of command from shooting referee, the shooter will be excluded from shooting competition.
- Rifle can have any kind of support which is not fix-connected to the rifle, except bipod.
- At the shooting stand, the shooter can have the only exact number of ammunition defined for each event.
- In order to categorize the rifle, shooting referee has the right to analyze the ammunition by picking up a sample, disassemble, check the weights and measure the speed of used ammunition.
- It is forbidden to use inflammation, armor piercing, tracer and explosive ammunition.
- It is permitted to use rifles with maximum caliber 10mm only, and with valid pressure test.
- Rifle or ammunition failure is a matter of the shooter himself. In the case, that he will not fix the issue in time, he will be excluded from the competition.

FINAL PROVISIONS:

- Any manipulation with a rifle must be performed without any ammunition exclusively in reserved safe place – area specifically designed for this matter!!!
- During any movement (re-positioning) of the shooter with a rifle, rifle must be empty (without ammunition) and the bolt must be in the back position. For semi-automatic rifles the magazine must be out of the rifle.
- In the case of breaking any safety rule linked to life and health protection during weapon manipulation will be broken, this will lead to an immediate disqualification of the shooter from the competition and he/she will be responsible for any damage caused by themselves.
- In the case of protest submission, well-founded by 20 EUR deposit payment, and/or any significant dispute, is the final decision up to the competition director.
- Competition organizer reserves his rights to change the rules or to change the competition date.

A T T E N T I O N !!!

Condition for a successful participation on the competition is to get familiar with the competition propositions and an absolute respect and adherence to all the rules!

All shooters are pleased to be aware, that in the whole shooting range is consumption of alcoholic beverages (beer included) absolutely forbidden!!! Competition organizer has the right to exclude from the competition any shooter non-respecting the rules.

We kindly ask all competition participants to respect all rules for safe shooting and manipulation with a rifle and any manipulation with rifle out of the shooting stand is strictly forbidden and will not be tolerated.
